

About the Gala

This event has been organised by **Collingham Churches Together** to provide everyone in Collingham with a focal point for community activities and to raise awareness of the two churches within the village.

Collingham Churches Together devote the profits of the Gala to local community causes. . Proposals and requests from within the village are always welcome.

Thank you for your support

Thank you for coming to join us for Collingham's largest annual event.

The Gala could not take place without the help and enthusiasm of so many people. If you are able to help with taking down the marquees at the end of the afternoon we would be very grateful.

'Many hands make light work'!!

You will see our sponsor's banners on display around the main arena. Please take a moment to look at them, and support our local businesses.
